**Dream Group Forum in Finland** [Suomen uniryhmäforum, Surf]

invites you to

**Surf XIV Dream Seminar Sept. 7-9, 2018**

[\*\(Short history of Surf\)\*](#)

### ***About the seminar***

The backbone structure of this seminar is the three dream group sessions. All dream groups are based on Montague Ullman's method. No earlier experience is required nor any other special training.

Seminar's organization is informal and self-organizing. Participants have very different backgrounds both in their education and training as well their experience in working with the Ullman method. With such a mix, the newcomers can feel safe and supported in their quest to learn about this method as we cooperatively help each other in formation of the groups, choosing the leaders for the groups etc.

### ***Language***

Bulk of the participants are Finns, and therefore main language is Finnish, but languages can be changed very spontaneously and without effort. We have had during previous seminars **participants from different countries** and the language has not caused any problems. The language of the dream groups will be determined by the participants.

### ***Cost***

The fee is **117 euros**, room and full board included. The seminar itself is free. It is easiest to pay in cash at the venue to Markku Siivola. For shorter (or longer) stay, negotiate with Friendship Inn's staff.

### ***Weather***

Finland is a Nordic country with very changeable weather. Medium temperature at the venue is +10, but anything between +20 and +5 Celsius are possible. Therefore, please prepare yourself with due clothing, and check the 5-day weather (temperature and rain forecast) in advance [in this link](#).

### ***Venue***

See [Friendship Inn](#) - Arrival info [at the end of this document](#).

Friendship Inn is a commune with a social awareness agenda. It is located by a lake in Southern Finland. It is not in any way fancy, but cozy and inspirational. The staff are mainly volunteers.

The food served is simple home cooking. Please inform us of any **dietary restrictions**. Simple restrictions due to dietary allergies (gluten, lactose) can be noted. Vegetarian diets are available.

### ***Lodging***

Rooms are for 1-6 people. Most of the rooms come with a toilet but showers are in shared areas. Lodgings are decided by the staff on arrival, special needs are taken into consideration. Bed linen and towels cost 5€ if you do not have your own with you.

Since this is Finland, one big attraction is possibility for **sauna** bathing every night by the lake, even with a dip into the quite cool waters. Sauna has been one of the great attractions for our foreign guests! The view is quite fantastic.
